^{*}Formerly Wetlands Restoration Program. EEP closed on 9,457 acres in 2005; 7,297 of those acres are held by other state agencies or land trusts.

^{**}Local governments include LWCF projects closed, PARTF projects funded, CWMTF local projects closed, and counties that responded to information requests.

^{***25} local land trusts that regularly partner with the Conservation Trust for North Carolina. Local land trusts also conveyed 6,918 acres to local, state, and federal government in 2005, and assisted in partnership or facilitated the purchase of 6,446 acres of protected lands.

^{****}The Nature Conservancy closed on 8,633 acres in 2005, including 1,238 acre Shelter Swamp property, counted here. During the same period, TNC transferred 6,146 acres to the State of North Carolina.

*****NC Coastal Federation 2005 figures include 1,443-acre Quaternary tract, to be transferred to WRC
